MEET OUR OFFICE TEAM

SERVICES

MANPOWER & CONTRACTING

Our construction Management (HBGC) team is closely involved in the planning and design phase and typically joins the project at the same time as the architect. We provide input on constructability, budget, and schedule, which reduces costs. During the construction phase, our full-time supervision team is on-site, monitoring work to assure compliance with specifications, budget and schedule. Our HBGC team also acts as a liaison to the owner providing the on-going status of the project, producing monthly progress reports which detail the status of the job from start to finish. As a broad range company, Earn Kingdom has contributed its professional skills and successfully undertaken variety of projects i.e. Mega Housing Projects, Commercial Projects, Shopping Malls, Industrial Projects - Chemical & Cement Plants, Hospitals, High Standard Luxurious Palaces, Resort / Development, Sea Front Development, Ware Houses, Landscaping and Infrastructures, etc.

In addition to these, our sincere endeavors have led us to execute various projects for the 17 SABIC affiliates, inside and outside their plants. In turn, led to the major Housing projects for SABIC, projects for Saudi Electrical Company and Saudi Telecom Company as well.

MANPOWER AVAILABILITY

CONTRACT EMPLOYEES

Attention : AL HAJAR BUILDING GENERAL CONTRACTING EST

CR Number : 4650195788
Supplier Type: Service Provider Only
Country : Saudi Arabia

We are pleased to inform you that AL HAJAR BUILDING GENERAL CONTRACTING EST is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10109704, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.
